

FOR IMMEDIATE RELEASE

German corporation chooses Grand Rapids Company as business partner.

Grand Rapids, MI, USA; Germering, Germany – June 20, 2006 –

DocuWare Corporation has certified Laser's Resource as an Authorized DocuWare Partner by completion of an in depth certification program. Laser's Resource, an HP Elite VIP Business Partner, will provide west Michigan businesses with DocuWare's integrated document management solution which sells for considerably less than its major competitor's products. Laser's Resource has invested hundreds of man hours certifying members of its solutions team to understand the software and to have the ability to support users of this powerful integrated document management solution.

The DocuWare integrated document management solution, offered through Laser's Resource, can automate business processes by managing any type of document, regardless of format or source, in a central document pool – for example paper records, letters, faxes, drawings, PC and other electronic files, including e-mail and MS Office documents. DocuWare supports all forms of electronic signatures. Integrated records management ensures that all access is secure, controlled, and logged. Using the Internet, the central document pool is available around the clock to any authorized user, no matter where they are located in the world. A wide range of customizable DocuWare add-on modules equip DocuWare for, among other things, automatic indexing, COLD applications and enhanced workflow features. Other software applications are easily integrated with a set of standard tools.

Laser's Resource is western Michigan's only locally owned HP – Elite VIP Business Partner offering a full suite of total print management, workflow optimization, and document imaging solutions including cost-effective, market leading HP color printing and copying systems, supplies and certified service.

DocuWare has over 5,500 installations with tens of thousands of users in over 50 countries. DocuWare offers a scalable solution that can expand enterprise-wide. DocuWare AG is based in Germering near Munich, Germany. The company's US subsidiary, DocuWare Corporation, is located in Newburgh, New York.
